

SHUT DOWN WENTWORTH REHABILITATION & HEALTH CARE CENTER IMMEDIATELY

(Mr. RUSH asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. RUSH. Mr. Speaker, I rise today out of anger and frustration at a deplorable situation in my hometown of Chicago, Illinois. I was shocked to read in yesterday's Chicago Tribune about the callous disregard demonstrated for our poor and vulnerable citizens by Alden Management Services, who operate Wentworth Rehabilitation & Health Care Center in my district, and I am here today to call on Alden to shut it down.

This so-called skilled nursing facility allowed a patient to remain on fire while an employee enjoyed a beverage. To add insult to injury, many residents have to endure bug bites, bruises, and other forms of neglect. This is the epitome of negligence and should not happen. This is America.

It is not a coincidence, Mr. Speaker, that most of these residents are poor seniors and African Americans. Where were CMS and the other regulatory and oversight authorities?

Mr. Speaker, this is reprehensible. Once again, I call for this hellhole to be shut down immediately.

WEAR RED ON FRIDAYS

(Mr. ROTHFUS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. ROTHFUS. Mr. Speaker, I rise today to recognize the unyielding dedication that my constituents have for our military. In particular, I would like to highlight the efforts of several folks back home who are responsible for a number of billboards dotting the highways of Beaver County that encourage people to wear red on Fridays to support our troops who are deployed overseas.

For more than a decade, Americans across the Nation have worn red on Fridays to show support for troops fighting in foreign lands. In this effort, red is not just a color, but a message. RED is an acronym for Remember Everyone Deployed. It is a message to remember our servicemembers who are away from their families, risking their lives on the front lines to defend our freedoms and values. Remembering them is especially important since we often do not see news of those deployed.

Wearing red on Fridays is another way to show our troops that we are thinking of them, that we support them, and that we appreciate their sacrifices. I thank the volunteers of Beaver County for promoting and reminding us of this wear red effort.

ISSUES OF THE DAY

(Ms. JACKSON LEE asked and was given permission to address the House for 1 minute.)

Ms. JACKSON LEE. Mr. Speaker, there is one person in the United States that can stop the mean-spirited separation of children at the border of my State. The vileness of separating babies as young as 6 months, babies who are breastfeeding, is at the feet, the hands, mind, and heart of President Trump.

This is not a Democratic policy. We have never utilized this kind of deterrence, and we have never stopped an asylum possibility because of domestic violence or gang violence, as this administration is doing.

Secondarily, the IG report, which I commend to the American people to read, has nothing to do with the Mueller investigation and Mr. Mueller, with his integrity intact, must continue that investigation and do it well and answer the questions of the Russian collusion in the election of 2016.

On another note, Happy Father's Day. In the memory of my late father, Ezra C. Jackson, we miss you. But all of the fathers who have fallen, and those who live, we wish you a wonderful day.

As well, Happy Juneteenth to those who celebrate Juneteenth, who recognize that it was 2 years after the Emancipation Proclamation that African Americans in the South and, particularly, Texas knew that they were free. Freedom is precious.

The SPEAKER pro tempore. Members are reminded to refrain from engaging in personalities toward the President.

GO BENSALEM HIGH SCHOOL BASEBALL TEAM

(Mr. FITZPATRICK asked and was given permission to address the House for 1 minute.)

Mr. FITZPATRICK. Mr. Speaker, last night, we had our annual Congressional Baseball Game and some healthy competition with our colleagues. But today is the big showdown, when the Bensalem High School baseball team will play for the State championship versus Canon-McMillan at Penn State's Medlar Field at Lubrano Park.

Led by Coach Harry Daut, Bensalem beat La Salle in a come-from-behind victory in the semifinals, initially down three runs with only two at bats remaining. This come-from-behind victory was propelled by Nick Fossile's sacrifice fly to left field, sending home Dave Barnett from third base. That left it up to pitcher Nick Dean, who closed out the game and finished what starter Stephen Aldrich began.

I wish these players, the entire team, the entire coaching staff, and the entire Bensalem community the best of luck today, and I know they will make all of us proud. Go Bensalem.

OPPOSING PRESIDENT TRUMP'S ACA SABOTAGE

(Ms. WASSERMAN SCHULTZ asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. WASSERMAN SCHULTZ. Mr. Speaker, President Trump's cruel attempt to sabotage affordable healthcare access for more than 130 million Americans is inhumane and, mark my words, deadly.

If Trump has his way, anyone who has survived or lives with cancer, asthma, diabetes, mental health issues, or virtually any other medical conditions that you can think of, and many that you can't, will risk losing their health coverage. That is because the President is bent on dismantling the Affordable Care Act, which protects Americans with preexisting conditions.

Before the ACA, insurance companies refused coverage or charged people more with these commonplace maladies. They even charged women more just for being women.

I am a woman, and I also beat breast cancer. And it sickens me to think of the anxiety and pain this President is causing my sister survivors right now with this threat. It is absurd, it is discriminatory, and it is, frankly, monstrous.

Every time it appears that the reckless disregard for people's lives shown by this administration and their Republican enablers in Congress couldn't possibly get any worse, they find a new low.

Mr. Speaker, there are too many real problems facing Americans today. This President and his party need to stop creating deadly new ones.
